

Move In

GUIDE 2023

UNIVERSITY OF
**NORTHERN
COLORADO**

ARE YOU READY TO MOVE TO YOUR NEW HOME?

We've gathered some info for you to help make your move to campus a good experience. Additional information and specific campus updates will be sent to your BearMail, bearmail.unco.edu. You can also log back in to your housing contract to view your housing and roommate status at studenthousing.unco.edu

Your parents and/or support person will be receiving updates through our Parent Newsletter if their email address is listed on your account.

New Student Days is a series of full-day programs designed to set up incoming students and their support systems for success academically, socially and financially. Learn more at unco.edu/student-life/welcome

PREPARING FOR THE MOVE TO CAMPUS

- In August, each student will receive an email with a specific date and time for their move in. This assigned date and time is when you can start to move your belongings into your new home.
- Official UNC Move-In process for the residence halls starts on Wednesday, Aug. 16. When you arrive for your specific check-in time, visit your check-in location to receive your room inventory. Once you complete your room inventory, you will be able to receive a key for your room and/or encode your UNC ID for your room. Residents who live in Wiebking, Harrison, North, South, Snyder and Turner Halls will select a PIN, encode their UNC ID card at the front desk and then their card will be activated to open their room door.
- UNC ID cards will be activated to open the exterior doors of the building. If you have any trouble gaining access to your building contact your neighborhood front desk.
- Move-in volunteers can help you move in.
- Dollies and large moving carts will be available for use on both Central and West campus.
- Elevators can only be used in Brown, Harrison, Lawrenson, North, South and Turner Halls. Some of our halls do not have elevators, and others are designated as Service Only. Many of our move-in volunteers are here to help you get items from your unloading zone to your room!

HOW TO GET YOUR BEAR ID

We'd like to get your UNC ID Card to you as soon as possible. Your UNC ID Card will be mailed to the address on file with the university. You must do this by request and submitting a photo to the Card Office to receive your ID in the mail prior to move-in. Please follow these instructions to send us your appropriate photo and a picture of your government-issued identification, and we will be happy to get your all-in-one UNC ID Card out in the mail to you as soon as possible.

From your BearMail account, email card.office@unco.edu with the following information:

- Your Bear Number and a phone number where you can be reached.
- Attach a copy of your driver's license or government-issued ID for verification of your identity.
- Also attach a jpg photo of yourself using the following criteria:
 - Be sure your photo is facing to the front and on a solid background

RESIDENTIAL NEIGHBORHOODS & YOUR COMMUNITY SUPPORT

Our residential halls are broken into three neighborhoods. These neighborhoods and the Arlington Park Apartments and houses feature a front-desk operation, study rooms, social lounges and community engagement centers. You have access to these things using your UNC ID Card to get into the buildings.

OUR PROFESSIONAL RESIDENTIAL STAFF WILL ALSO SUPPORT IN YOUR NEIGHBORHOODS:

- **Community Engagement Center:** This is a community development and engagement space located within each neighborhood where students can congregate with friends, explore campus resources, engage in skill development and participate in events and activities hosted by your community.
- **Front Desk Operation:** During the academic year, front desks are open from 8 a.m. – 2 a.m. daily. You can find someone who can answer your questions or connect you to a campus resource when you need it. During break times the front desks will operate on modified hours.
- **Resident Assistants (RA) and Community Assistants (CA):** Student staff whose primary role is to connect with residents, build community, aid your transition to UNC and be a resource to you throughout your on campus living experience.
- **Assistant Neighborhood Coordinators (ANC):** Assistant Neighborhood Coordinators (ANC) are student staff that provide programming, administrative, and on-call support within the neighborhoods.
- **Neighborhood Coordinators and Community Directors:** Professional staff who are full-time and live-in. The Neighborhood Coordinators and Community Directors work collaboratively to oversee the neighborhood building operations, supervise the student staff and aid in helping students with various needs they may have.
- **Faculty in Residence:** Faculty in Residence (FIRs) are UNC faculty who teach across a variety of disciplines and have applied, interviewed and chosen to live in the residence halls. Our FIRs bridge academic experience with social and community building by hosting dinners, guest speakers, community activities and events.
- **Coaches in Residence:** Coaches in Residence are UNC NCAA Athletics coaching staff who work with a variety of sports at UNC. These coaches have applied, interviewed and chosen to live in the residence halls. Coaches in Residence help to connect all students living on campus with an athletics experience at UNC as well as help with community building by hosting community activities and events within the residential community.

RESIDENTIAL NEIGHBORHOODS

- **The Mesa Neighborhood's** Community Engagement Center is located in Wiebking. The Mesa Neighborhood includes Belford, Bond, Brown, Decker, Dickeson, Gordon, Luján, Sabin, Snyder and Wiebking Halls as well as Arlington Park Apartments and University-Owned Houses.
- **The Ridge Neighborhood's** Community Engagement Center is located in South Hall. The Ridge Neighborhood is composed of Lawrenson Hall, North Hall and South Hall.
- **The Basin Neighborhood's** Community Engagement Center is located in Harrison Hall. The Basin Neighborhood features Harrison Hall and Turner Hall.

SAFETY AND SECURITY

UNC has many procedures in place to make campus safe and secure, whether you are inside the buildings or walking across campus. Review these campus safety tips below and learn more about security processes you can follow to help keep campus safe.

CAMPUS SAFETY TIPS

- Program the UNC's Police Department into your cellphone, 970-351-2245. In an emergency on campus, call UNC PD, not 911, for faster response. UNC PD can also be contacted via the Rave Guardian App for a texting option.
- Always close and lock your door whenever you are leaving your room/apartment/house, even if it is just to go down the hall.
- Never prop or leave an exterior door open. This can jeopardize the safety of all students living in the building.
- If you lose your Bear ID, report it immediately to the UNC Card Office and to your roommate or suitemates.
- If you encounter an unauthorized person in the building, contact a staff member or UNC PD immediately.
- When a fire alarm sounds, vacate the building immediately. Even if you think it's a drill or false alarm, it may not be.

WHAT SUPPORT/FAMILY MEMBERS NEED TO KNOW

During the Move-In process, your student will be the individual who checks in with the staff, inspects and receives access to the room before moving in their belongings. This is a transition for your student and support/family members because the Family Right to Privacy Act (FERPA) federal law transfers the rights to the student when they reach the age of 18 or attend a school beyond high school.

THINGS FOR YOU TO CONSIDER AS A SUPPORT/FAMILY MEMBER

- This is a big step for your student, and it may be for you as well.
- You may experience happiness, sadness, anxiety and any other range of emotions. This is very normal.
- You may want to consider the timing of your departure. Is it after check-in? Is it when the items are moved into the room? Is it after the bed is made?
- You may want to consider your self-care. What are you looking forward to in celebration of this transition?

Note: Hammocks are allowed on campus (outside), but not indoors in the residence halls. If you bring a hammock it is prohibited to hang in anywhere in the residence halls.

TIPS

MAILING PACKAGES

To send mail via USPS, UPS, FedEx or other provider, please use our guidelines to ensure your mailing arrives in a timely manner. Please do NOT put “UNC” or “University of Northern Colorado” on any of the mail. This will redirect the mail to the UNC general mail room for faculty, staff and department mail. Hall mailing addresses can be found at unco.edu/living-on-campus/housing/mail-information.aspx

TECHNOLOGY & BEARPRINT

Wireless and wired connections are provided in student bedrooms. For devices that have a wired network connection, an ethernet cable is always advised for the most reliable and fastest connections. We encourage students not to bring a printer and instead take advantage the BearPrint stations. Read more about BearPrint at unco.edu/inside-unc/campus-community/dsa-bear-print.aspx. Students who bring a printer should purchase a wired printer to be connected directly a computer by USB cable rather than a wireless one. Internet connected game stations, Smart TVs, DVD/Blue Ray Players, Apple TVs, Roku devices, etc. can generally be connected to the UNC network through a wired connection after being enabled by Information Management & Technology (IM&T). Contact IM&T’s help desk at 970-351-4357 or help.unco.edu for support and next steps.

CONNECT WITH WIFI

- Search for available networks and select: UNC-STUDENT.
- Keycode: UNCSudent (capitalization does matter; needed only the first time you set-up each device).
- Username and password are your UNC student (Ursa) login and password.
- Bond Hall, Berkenkotter House, Horst House and Keil House will have separate sign-in instructions located on the premise.
- Arlington Park only has WiFi as an option, no hardwire options are available.

INTERNET ISSUES AND TECHNICAL SUPPORT

UNC’s Information Management & Technology can provide assistance with Wired and Wireless Internet and anything technology-related. They can be contacted at help.unco.edu or 970-351-4357 (970-351-HELP).

Most laptops and phones can show the captive portal/webpage that pops up when you sign into UNC-STUDENT for the first time, but this can be an issue for certain devices (think game consoles and Roku/streaming devices that don’t have a web browser or display). This [link](#) shows students what devices will work properly on our wireless network and how to register devices that cannot render the captive portal/webpage.

HOUSING TIPS

REPAIRS, MAINTENANCE, WORK ORDERS

For nearly all maintenance and repairs students can visit fmservicedesk.unco.edu to submit a work request. Please select your building and your room (or the area that needs maintained). Be descriptive and provide details in your request. We encourage students to use their BearMail account to receive email notification once the request has been received and updates about work completion.

JETZ LAUNDRY

Jetz Service Co. provides laundry service for the university, you can learn more here: unco.edu/living-on-campus/housing/laundry.aspx. For repairs or issues with your on campus laundry, call Jetz Service Co at 1-800-530-5692 or visit JetzService.com and click Report A Problem or use the Jetz Service App (Available for Android and Apple devices).

DINING ON CAMPUS

First-year students are required to carry on-campus meal plans while living in the residence hall. Upperclassmen living in Lawrenson Hall, the Arlington Park Apartments or one of UNC's houses can choose any meal plan. Students living off campus can also choose to carry any dining contract offered. Choose what works best for you!

Your meal plans give you access to both meals and Dining Dollars. Dining Dollars can be used at any of our Retail Dining locations across campus (including mobile food carts) and vending machines. Use your meals at Holmes Dining Hall or Tobey-Kendel Dining (the mobile food carts will be in the TK courtyard during fall 2023). Meal plan holders can also use up to five meal swipes per week at Bowlful, Crisol Latin Kitchen, Empire State Pizza and Burger & Co.

Learn more about the new dining experiences at Tobey-Kendel Dining hall [here](#).

 - Monday, Jan. 22, 2024 for spring 2024
- Meals swipes are valid for one semester, but Dining Dollars roll over from fall to spring.

TIME CRUNCH? WE GOT YOU!

Our Bear On The Run programs allow you to carry to-go meals from the dining halls. Opt-in to sustainable “hot” to-go program for \$5 (use your dining dollars if you want). Bring it back and trade it for a clean box or a carabiner for next time. In case of damaged, lost or moldy boxes, replacements will cost \$5.

EVERYDAY APP

Order from select retail locations and schedule when to pick up your meal. There is no need to wait in line! You can also view menus, allergen information and nutritional information from the convenience of your mobile phone. All allergens are pulled directly from menus and viewable in the app for all dining spaces at the university. Learn more at everyday.sodexo.com.
