- Alpha Omicron Pi:

We are so excited to have three new members into our chapter. We are celebrating bid day on Tuesday for them! We are also so excited to support Delta Zeta at V-Day Sweet Treats this Thursday, as well as Alpha Phi's upcoming philanthropy week! We have a philanthropy event coming up in March called AO Pizza Pi! Come get some pizza with us and support our Philanthropy. I hope everyone is having a good week!

- Alpha Sigma Alpha:

Hi everyone! This weekend we packaged 300 tons of carrots at the Weld County Food Bank! Today after meeting we will be having a Valentine's day program. Through Spring recruitment, we are excited to have 5 new members! Our bid day is going to be this Tuesday and the theme is "Dreamin of ASA". Also, this Saturday we will be volunteering at the special Olympics games and we can't wait to support Delta Zeta at their philanthropy event on Thursday! Have a great Week!

- Alpha Phi:

Last Friday our girls went to Fort Collins to volunteer at a night to shine. We had so much fun helping the girls get ready and cheering them on. Also, our philanthropy is coming up February 18-20 and we're having wing night again which is February 19.

- Delta Zeta:

In Delta Zeta this week, we have our V-Day Sweet treats at the Delta Zeta house this week on Thursday! The event starts at 7 and ends at 11, and we will have yummy treats, a chocolate fountain, and a photo booth. We also will have a rose gram, where you can order roses and write notes. You can preorder roses at dz.crowdchange.co/12160 til Tuesday, February 11th at 5pm. You can write a custom note along with the roses and those will be delivered to the chapter houses on Friday, the 14th. 1 rose is \$2, 5 roses for \$7, and 10 roses for \$15. You can also order roses at the VDay sweet treats event! We can deliver the roses to the chapter houses or pick up the roses from the Delta Zeta house. We're welcoming our President, Meagan from the Presidents academy where Meagan and our CCD, Deb spent the weekend in Dallas. Have a good week!

- Sigma Kappa:

Hey everyone, Sigma Kappa has come up with a wonderful idea that can help build up Greek life and we wanted to share it with you. (in case you want to bring it back to your chapter too). As Sigma Kappa we decided to call it "Sigma Smiles". How it works is we will have a piece of poster paper with 1 sorority or fraternity written in the middle of the paper and it will sit at the house for about a week or so and anyone in Sigma Kappa can drop by and write words of support or words of love to that chapter

and let them know that they can always reach out for anything. Then we will hand-deliver the poster to that chapter! It is super simple and doesn't take too much time but can bring a lot of smiles to other sororities and fraternities. If you are interested in this idea and have any questions let me know after meeting and I would be more than happy to explain in more detail! Thank you so much and have a great week!

- **Sigma Lambda Gamma:**

Last weekend they wrote cards for immigration detention centers.

Valogammas are selling at the UC throughout this week those dates are this Friday 11-1, 3 for \$5, 6 for \$8, and 12 for \$10. There's a choice of dark, white, and milk chocolate.

VII. Old Business: None

VIII. New Business: FSL core values discussion:

We have 6 core values for fraternity and sorority life (which can be found on the FSL website) <https://www.unco.edu/fraternity-sorority/mission-values.aspx>

We all liked integrity, but there was a comment about potentially adding “honesty” and potentially taking out “unyielding” because it’s a more tense word. We also thought that we should add “character”. Under leadership, we discussed that we should add “opportunities” because Greek life offers so many. While speaking about service we all agreed that the diction needed to be changed. While discussing unity we mentioned how we should add how each chapter/member respects, supports, and developing relationships were introduced. In the discussion about personal growth we collectively thought that having ritual mentioned is odd because ritual is more of an organization not community attribute. Also, we decided we should add “Personal Community Growth” because it will emphasize how we have opportunities to grow as a community not just individually. Collectively we all decided that values capture our campus nicely, but just needed to have updated diction.
