**Honors Program**  
**4-year Plan – Course Information**  
**Major: Acting BFA**

**First Year Honors Experience – 6 credits**

**Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity**

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Is elective only*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: HON182 (Most in this area are met through degree requirements)*

*HON180, 185 as elective credit*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)**

**and 4 credits from Capstone coursework (see Honors Capstone Section)**

**and 6 Honors Connect activities (total by time student graduates)**

- 
- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Is elective only*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: HON182 (Most in this area are met through degree requirements)*

*HON180, 185 as elective credit*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**

*Major specific notes/Major courses that count here: Performance courses may be able to count here. Check with Honors advising staff.*

**6. Applied Coursework -Study abroad (any length)**

*Includes HON395 when that course includes a study abroad element.*

*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**

*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective (toward 19 elective credit hours)*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective (toward 19 elective credit hours)*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: As elective (toward 19 elective credit hours)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Africana Studies**

**First Year Honors Experience – 6 credits**

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 Counts for LAC LAB3 in 24-25. in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: HON180 will meet requirement, HON18X will be elective*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 50 elective credit hours)*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 Counts for LAC LAB3 in 24-25. in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: HON180 will meet requirement, HON18X will be elective*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 50 elective credit hours)*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here: AFS399 (3 credits)*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.*  
*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective (toward 50 elective credit hours)*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective (toward 50 elective credit hours)*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: AFS490 (3 credits)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Anthropology**

**First Year Honors Experience – 6 credits**

**Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity**

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Is elective only*

**2. Honors courses with LAC credit:**

**HON180** (LAA2 & IS)

**HON182** (LAA2 & MS)

**HON185** (LAA3)

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 41 elective credit hours)*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)**  
**and 4 credits from Capstone coursework (see Honors Capstone Section)**  
**and 6 Honors Connect activities (total by time student graduates)**

- 
- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective (toward 16 credit hours)*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: INTR450 (3 credits)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Biological Sciences**

**First Year Honors Experience – 6 credits**

**Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity**

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: Has no elective credit requirement. (LAC concentration course does 4-17)*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)**

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: Has no elective credit requirement. (LAC concentration course does 4-17)*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**

*Major specific notes/Major courses that count here: BIO492 (3 credits), BIO493 (3 credits), BIO494 (2 credits)*

**6. Applied Coursework -Study abroad (any length)**

*Includes HON395 when that course includes a study abroad element.*

*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**

*Major specific notes/Major courses that count here: BIO422 will count here when approved by BIO422 instructor and Honors.*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: 1 additional credit May be needed.*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: 1 additional credit May be needed.*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: 2 credits of HON451 or 2 credits of BIO422*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Business Administration**

**First Year Honors Experience – 6 credits**

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 13 elective credit hours)*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 13 elective credit hours)*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**

*Major specific notes/Major courses that count here: BA415 (1 credit), BAAC492 (3 credits), BACS492 (3 credits), BAFN492 (3 credits), BAMG492 (3 credits), BAMK492 (3 credits)*

**6. Applied Coursework -Study abroad (any length)**

*Includes HON395 when that course includes a study abroad element.*

*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**

*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective (toward 13 elective credit hours)*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective (toward 13 elective credit hours)*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: BACS488 (3 credits)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Chemistry**

**First Year Honors Experience – 6 credits**

**Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity**

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)**

- 
- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**

*Major specific notes/Major courses that count here: STEP464 (3 credits) \*Licensure Science\**

**6. Applied Coursework -Study abroad (any length)**

*Includes HON395 when that course includes a study abroad element.*

*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**

*Major specific notes/Major courses that count here: CHEM499 (3 credits)*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective credit hours*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective credit hours*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: CHEM499 (3 credits)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Communication Science and Disorders**

**First Year Honors Experience – 6 credits**

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective (toward 14 elective credit hours)*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective (toward 14 elective credit hours)*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: As elective (toward 14 elective credit hours)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Early Childhood Education**

**First Year Honors Experience – 6 credits**

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Take HON180 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Take HON180 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here: EDEC490 (6 credits)*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.*  
*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective credit hours*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective credit hours*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: As elective credit hours*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Earth Sciences**

**First Year Honors Experience – 6 credits**

**Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity**

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)**  
**and 4 credits from Capstone coursework (see Honors Capstone Section)**  
**and 6 Honors Connect activities (total by time student graduates)**

- 
- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**

*Major specific notes/Major courses that count here: ESCI492 (3 credits) and STEP464 (3 credits/applies to Licensure Science)*

**6. Applied Coursework -Study abroad (any length)**

*Includes HON395 when that course includes a study abroad element.*

*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**

*Major specific notes/Major courses that count here: MET376 (3 credits/applies to meteorology concentration)*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective credit hours*

**HON351 (1 credit) or**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 43 credit hours)*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)**  
**and 4 credits from Capstone coursework (see Honors Capstone Section)**  
**and 6 Honors Connect activities (total by time student graduates)**

- 
- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 43 credit hours)*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**

*Major specific notes/Major courses that count here: GEOG392 (3 credits), GEOG492 (3 credits), GEOL481 (3 credits)*

**6. Applied Coursework -Study abroad (any length)**

*Includes HON395 when that course includes a study abroad element.*

*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**

*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective (toward 43 credit hours)*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective (toward 43 credit hours)*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: GEOG491 (2 credits)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Health Sciences**

**First Year Honors Experience – 6 credits**

**Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity**

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Take HON180 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)**

- 
- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Take HON180 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)  
HON395 (3 credits) - may be repeated under different titles**

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here: HUSR492 (3 credits)*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.  
Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective credit hours*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective credit hours*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: As elective credit hours*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: History**

**First Year Honors Experience – 6 credits**

**Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity**

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 28 elective credit hours \*concentration course only\*)*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)**

-

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)

and 4 credits from Capstone coursework (see Honors Capstone Section)

and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: HON185 to meet LAA3; Any HON1xx could be taken instead of MAS100/SPAN201 OR SPAN202*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**

*Major specific notes/Major courses that count here: MAS450 (4 credits)/ STEP262 (2 credits) & STEP464 (3 credits) \*Licensure: Social Studies concentration\**

**6. Applied Coursework -Study abroad (any length)**

*Includes HON395 when that course includes a study abroad element.*

*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**

*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective credit hours*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective credit hours*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: As elective credit hours*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Music BA**

**First Year Honors Experience – 6 credits**

**Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity**

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: HON180 and HON185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

**Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)**

- 
- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Take HON182 or HON185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 59 credit hours)*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)  
HON395 (3 credits) - may be repeated under different titles**

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here: PHIL492 (3 credits)*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.  
Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**  
*Major specific notes: As elective (toward 59 credit hours)*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective (toward 59 credit hours)*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: PHIL495 (3 credits)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Physics**

**First Year Honors Experience – 6 credits**

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)  
HON395 (3 credits) - may be repeated under different titles**

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here:*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.  
Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here: PHYS370 (3 credits)*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective credit hours*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective credit hours*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: PHYS470 (3 credits)*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Political Science**

**First Year Honors Experience – 6 credits**

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 53 credit hours)*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 53 credit hours)*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here: PSCI392 (3 credits)*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.*  
*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

**5. Applied Coursework -Internships, Practicum, Field Experience:**

*Major specific notes/Major courses that count here: EDSE370 (3 credits), EDSE329 (3 credits), EDSE444 (3 credits), EDSE270 (3 credits), EDSE328 (3 credits)*

**6. Applied Coursework -Study abroad (any length)**

*Includes HON395 when that course includes a study abroad element.*

*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**

*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective credit hours*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective credit hours*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: As elective credit hours*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Sport and Exercise Science**

**First Year Honors Experience – 6 credits**

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here: SES492 (6 credits)*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.*  
*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: Towards elective credit hours*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: Towards elective credit hours*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: Towards elective credit hours*

**Honors Program**  
**4-year Plan – Course Information**  
**Major: Statistics**

**First Year Honors Experience – 6 credits**

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 28 elective credit hours)*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

**University Honors Program - 16 credits**

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)  
and 4 credits from Capstone coursework (see Honors Capstone Section)  
and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective (toward 28 elective credit hours)*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits)** - may be repeated under different titles

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here:*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.*  
*Major specific notes: Can count toward electives or major requirements depending on study abroad curriculum specifics. Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here: STAT451 (3 credits)*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes: As elective (toward 28 elective credit hours)*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes: As elective (toward 28 elective credit hours)*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes: STAT489 (2 credits)*

## Honors Program

### 4-year Plan – Course Information

#### Major: Theatre Arts: Licensure: Drama Theatre Arts (Grades K-12)

### First Year Honors Experience – 6 credits

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Is elective only (a different course is required for LAB3 for this major)*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: HON182 (Most in this area are met through degree requirements)*

*HON180, 185 as elective credit*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

### University Honors Program - 16 credits

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)

and 4 credits from Capstone coursework (see Honors Capstone Section)

and 6 Honors Connect activities (total by time student graduates)

---

- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

**Complete 12 Credits of General Honors Coursework**

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: As elective (toward 3 elective credit hours)*

## Honors Program

### 4-year Plan – Course Information

**Major: XLA-Exploring the Liberal Arts (only complete first year honors section)**

## First Year Honors Experience – 6 credits

Requires 6 credits (2 courses) from any of the following lists and 1 Honors Connect activity

---

**Complete 6 credits of Lower Division honors coursework from any of the following lists:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

Note: Students may use HON395 as well towards First Year Honors Experience with approval of the instructor and the Honors Program.

## University Honors Program - 16 credits

Requires: 12 credits from General coursework (Max 6 credits of 100/200 level)

and 4 credits from Capstone coursework (see Honors Capstone Section)

and 6 Honors Connect activities (total by time student graduates)

- 
- May include the 6 credit hours earned in First Year Honors Experience, or may be completed without completing First Year Honors Experience, such as with all or mostly upper division coursework.

### Complete 12 Credits of General Honors Coursework

**Including a maximum of 6 credits lower division-100/200 level from the following:**

**1. First semester scholar skills building course:**

**UNIV101** (LAB3 if taken Fall 2024 or later in Catalog years 2024-2025 or later)

*Major specific notes: Counts for LAC LAB3 in 24-25.*

**2. Honors courses with LAC credit:**

**HON180 (LAA2 & IS)**

**HON182 (LAA2 & MS)**

**HON185 (LAA3)**

*Major specific notes: Any: HON180, 182 or 185*

**3. Honors elective courses with variable course content:**

**HON100**

**HON200**

*Major specific notes: As elective credit hours*

**Complete 6 -12 credit hours of Upper Division and/or Applied Coursework from the following:**

**4. Honors upper division seminar – Variable Topic (offered under different titles fall and spring)**  
**HON395 (3 credits) - may be repeated under different titles**

**5. Applied Coursework -Internships, Practicum, Field Experience:**  
*Major specific notes/Major courses that count here:*

**6. Applied Coursework -Study abroad (any length)**  
*Includes HON395 when that course includes a study abroad element.*  
*Major specific notes: Usually counts as minimum of 6 credit hours and up to 12 credit hours.*

**7. Research, methods or methodology coursework**  
*Major specific notes/Major courses that count here:*

**All University Honors Program students must also complete Honors Capstone (see below)**

## **Honors Capstone – 4 credits**

**Requires 4 credits of capstone work.**

**May be overlapped with major department-based capstone or senior seminar requirements**

**Required to graduate with University Honors Program or**

**May be completed as a stand-alone program**

---

**Complete 2 Credits of Project Design from any combination of the following courses:**

**LIB251 Research Methods/Literature Review (1 credit) and**

*Major specific notes:*

**HON351 (1 credit) or**

**UNIV432 (2 credits) - McNair Scholars only**

*Major specific notes:*

**Complete 2 Credits of Capstone work from any combination of the following courses:**

**HON451 (2 credits – may be completed as 1 credit over two semesters or 2 credits in a single semester) or**

**Major-based capstone course (if available – minimum 2 credits)**

*Major specific notes:*
