Request for Access to 240 Tutoring

I would like to request access to utilize the free services of 240 Tutoring to prepare to take my content required Praxis exam(s). I understand that my access to the service will be for 3 months which begins the day my access is provided. If my program requires more than 1 test, I will be eligible for an additional 3-months of access, which should be requested when the first 3-months of access expires. If I need more time than I am eligible for to complete my studying, I will need to reach out to Tish Thompson (Letitia.thompson@unco.edu) to request a possible extension of the service. Extension will depend on the availability of free access codes. Please submit this completed form via email to Tish Thompson (Letitia.thompson@unco.edu).
