

## Bicycle Registration Information

- Serial Number:** This is the most important feature of your bicycle. It must be included for the best results if your bicycle is stolen. This number is unique to the bicycle and is found on the bicycle's frame.
- Manufacturer:** This name should be on the front of the bicycle's head tube or down tube.
- Model:** This is the secondary name for the bicycle.
- Type of Bike:** The most common types of bikes are **mountain, road, hybrid, recumbent, BMX/freestyle** and **Cruiser**.
- Color:** If the bicycle has one predominant color, write that first. Write the secondary color next.
