

Year One Priorities

DSA VISION

UNC's Division of Student Affairs co-creates an *inclusive Community of Bears* that transforms the attitudes, skills, knowledge, and practice of all students while **challenging and supporting** them to **lead lives of impact and social change**. The division engages every student, holistically, to become *equity-minded, career-ready graduates* through caring and transparent leadership.

YEAR ONE STRATEGIC PRIORITIES

- 1. DEVELOP** a set of strategic outcomes and goals for the **transition to and implementation of the Division of Student Affairs** that reinforce UNC's institutional priorities and SESS plan.
- 2. IMPLEMENT** initiatives designed by SESS Action Team #3 responsible for developing an **integrated campus-wide network approach to partnering with students to ensure their success and progression**.
- 3. CREATE** intentional partnerships with Academic Affairs and establish a curricular approach and shared **language** around institutional learning and student learning outcomes.
- 4.** Through the use of data and evidence, UNC and the DSA will **WORK TOWARD** addressing systems, practices, behaviors and attitudes that are inclusionary and in support of equity minded outcomes and access.
- 5. DEFINE** Career Readiness for UNC, begin to **integrate Career Readiness into a Student Affairs curriculum**, and show students how learning opportunities within Student Affairs enables them to gain Career Readiness skills.

Components of each priority may include: ILOs, SLOs, Curriculum, Achievement Gap
