# Mission

The University of Northern Colorado College of Osteopathic Medicine (UNCCOM) provides a transformative education in an environment that encourages collaboration, mentorship, and personal growth, inspiring our students to become highly skilled and caring physicians who in turn will positively impact the lives of the patients and the communities they serve.

# Vision

---

UNCCOM will be nationally recognized for its efforts to advance diversity, equity, and inclusion in medical education.

---

UNCCOM will achieve recognition for the positive impact made on the physician workforce in Colorado and the Northern Great Plains region.

---

UNCCOM will be recognized for efforts and innovations in interprofessional medical education.

---

UNCCOM graduates will seek opportunities for practice in rural and underserved communities.

---

More than 50% of UNCCOM graduates will practice primary care.

---

UNCCOM faculty and staff will create a workplace where mentorship, trust and respect are valued.
