Special Reports

New Business

- Leadership Studies Minor – Proposed Changes (Loree Crow) –
 - The minor is under communication now, moving to UG engagement
 - Reflect courses that are offered now
 - Proposed for 2024 catalog?
 - Would like it to be, no rush. Proposed for 25-26
 - Usually due by December 2024 catalog is preparing to publish 2024
 -
 - MOTION: approve to endorse leadership minor made by Markowski, seconded by Charles; changes and shift under UG engagement
 - VOTE: approved unanimously
- CNU Mathematics Pathway – (Gulden Karakok, Corinne Wieben, Hannah Kang) –
 - 1+2+1, 1yr @ CNU, 2yrs @ UNC, 1yr in China
 - Sequences of Math courses are not offered every year which will hinder student's pathway.
 - A calendar of courses that students should follow has been created, however requirements may need to be changed or more courses may need to be offered.
 - Advisors need to follow specific mapping in order for students to be on track.

- The courses will not change but the sequence will matter; pre-requisites will not be affected.
 - If student fails MATH 228, they will have to take MATH 286 as alternative
 - MATH 286 is an elective
 - Print as MATH 228 or MATH 286
 - Hide MATH 286 and advise with starting with 228 and if fail take 286
 - Recommend registrar to add an option of allowing MATH 286 to be a substitution for 228.
 - MOTION: made by Markowski, seconded by Charles
 - VOTE: recommendations approved
-
- UGC Roles For 2024-2025 – Nomination for chair and vice-chair; Milan will accept nomination for chair, Moore for vice-chair

Unfinished Business

- AI Policy for UNC Campus discussion for next year
